FINAL PLACEMENT REPORT

Batch of 2019-21

DIRECTOR'S ADDRESS

Prof. Dheeraj Sharma
(Director IIM Rohtak)

It gives me immense pleasure to share that the Indian Institute of Management, Rohtak has successfully concluded Final Placements for the batch of 2019-21. I am informed by the placement committee that we have achieved 100% placement of the eligible students. This is testimony of the trust of our recruiters in the dynamic, industrious, and ethical students of the institute. The year 2020-21 was full of uncertainties but our student placement committee worked hard and received strong facilitation from the institute. The efforts of the placement committee resulted in excellent outcomes even in the COVID situation that the world is dealing. The unwavering support of our loyal recruiters and participation of several new companies in our placement process has helped us culminate our placement activities for this year well in time. Institute adopts a strong and intensive corporate interaction process for its students, including leadership lecture series, live projects, industrial visits, management summits, workshops, and certification programs. All these activities continued this year as well through virtual mode that provided the students with expertise and knowledge of the business environment that helped them prepare better for their future jobs. Our overall emphasis has been on the all-around growth and development of IIM Rohtak students. This year witnessed an over 75% increase in the participation of new companies. Organizations like Xiaomi, GamaSec, Diaspark, Phable, Genpact, ZS Associates and Mindtree are among the 70+ new recruiters who exhibited an interest in our students. Loyal recruiters like Indus Valley Partners, Deloitte, Tata Steel, Bain Capability Networks, NatWest Group, Capgemini, and Cognizant, among others, continued to repose faith in the ability of our students. This year also witnessed a good number of Pre-Placement offers being given by various recruiters. Analytics, Sales & Marketing, and General Management, among others, were the most sought-after domains. This has been observed due to the diversified pool of student talent at our institute that catered to the wide range of profiles required by the industry. Also, it increased its diversity in course offerings. IIM Rohtak has further strengthened its focus on Analytics. I take this opportunity to express my gratitude to our recruiters for affirming their belief in the ability of our students. I thank all the stakeholders for their constant support and encouragement. I also congratulate the placement committee, who worked round the clock for the successful completion of the entire process. Finally, I reiterate that IIM Rohtak will continue to nurture the country's best management talent and will continue to work diligently to produce business leaders who will exhibit superior work-ethic, high commitment, strong persistence and a positive attitude.

CHAIRPERSON'S ADDRESS

Prof. Ankur Jain

This year was unusual. It was the time of the pandemic, it was a time of uncertainty, and yet it was the time of new possibilities, a time to reimagine and carve a future for ourselves. Despite the hard times, our students managed to complete the placement process on time. This exceptional performance can be attributed to the dedication of the student placement team, the confidence that the legacy and new recruiters placed in us, and the confidence that our students had in themselves and in their capabilities. I am grateful to the Director of our institution and other faculty colleagues who went out of their way to help the cause of placements of the students. Last but not least, the support from our Placement Office was immense and timely. We are grateful to all the organizations that participated in the placement process at IIM Rohtak. We want to build a long-term relationship with them and continue seeking their endorsement for years to come. To companies who could not come this year due to challenging times, we would like to extend an invitation for the next year. We are very confident of our students' proficiency and caliber, and we assure you that they will be able to add significant value to your esteemed organizations. As my students walk out proudly from the campus, I want to tell them what the pandemic taught me as the Placement Co-Chair – When the future seems uncertain, do not stop; embrace uncertainty as it sets you free to create new possibilities.

Prof. Rama Shankar Yadav

It gives me immense pleasure to announce the successful completion of the Placement process at IIM Rohtak for the year 2020-21. Students once again proved their merit during the recruitment process and got themselves placed in their dream organizations. At this happy juncture, I would like to appreciate and recognise the work done by the student placement committee and placement officer, who did a fantastic job and helped the institute in achieving the 100% placement record in a row. The guidance and support of our Director, Faculty placement executive committee, and Co-Chairperson placement were commendable during the entire process. In the end, I would also like to thank all the recruiters for showing faith in IIM Rohtak and its students. I wish all the best to the students for their wonderful career ahead.
